

RESPONSIBLE MINING AND MINERAL PROCESSING TECHNOLOGIES FROM NORDIC

Program

11:00 – 12:00	Lunch
12:00 – 12:15	Opening words Mauri Pekkarinen, Minister
12:15 – 12 :30	European Comission info Henrik Hololei, Hors Classe Adviser, Directorate-General for International Partnerships (DG INTPA)
12:30 – 12:35	Grant funding for starting business partnerships in development markets Julian Blom, Global Gateway Project Lead, Finnpartnership
12:35 - 12:40	Impact investments to private sector projects in developing markets Patrik Bredbacka, Team Finland Adviser, Finnfund
12:40 – 12:45	Education Export and eLearning in Africa Jaakko Skantsi, Program Director, Education Finland
12:45 – 12:50	Battery-grade nickel mining and Europe’s critical minerals Ari Virtanen, Chairman of Board, BGM Europe
12:50 - 13:00	Mining and tourism in Savukoski Antti Mulari, Municipal Manager, Municipality of Savukoski
13:00 - 13:10	A paradigm shift - what is sustainable? Timo Lindborg, Doctor of Science (Technology), Associate Professor, Oulu University
13:10 - 13:40	Mining’s Moment: Real Progress using innovation in electrification, automation, digitalization and robotics Ratna Kanth Dittakavi, Global eMine Sales Manager, ABB
13:40 – 13:50	Tailings Monitoring Markus Vuolahti, Market Manager, Vaisala
13:50 - 14:00	Satellite Monitoring in Mining Markus Latvala, CEO, Feasib Oy
14:00 - 14:10	Louhi - Enriched geospatial information to ensure a smart everyday life and efficient management Mikko Pikander, Key Account Manager, Digi Products and SaaS, Sitowise Oy
14:10 - 14:15	Environmental management of mines in the era of online data Sanni Eerikäinen, Head of Sales, Mittausguru Oy
14:15 - 14:20	From hazardous waste to reusable raw materials Ilpo Viskari, Technology and Process Development Director, EPSE Oy
14:20 - 14:25	Electrifying critical metal refining with tailored electrochemistry Mika Paalanne, CEO, Elmetry Oy
14:30 - 14:50	Coffee break

14:50 - 14:55	Laser cladding in mining industry Seppo Heiskanen, Managing director, Kokkola LCC Oy
14:55 - 15:00	Hydac's expertise in mine's heat transfer & filtration technology Anna-Maija Laurila, Business Development Manager, Hydac Oy
15:00 - 15:05	Make your responsibility visible Risto Pennanen, Managing Partner, Attention Communication Oy
15:05 - 15:15	Global cooperation possibilities Saija Luukkanen, Professor, Head of Oulu Mining School
15:15-15:20	Circular Economy Centre as broker in the utilization of side streams from the mining industry Tuomas Pussila, Director, Circular Ecomy Centre
15:20 - 15:30	Valmet General Presentation Mikko Tikka, Senior Sales Manager and Jani Ristola, Sales Manager, Valmet.
15:30 - 15:35	Efficient and safe maintenance shutdown management Lasse Kauppinen, CEO, Tool4pro
15:35 - 15:40	Guardians or Exploiters? Corporate Due Diligence in Security Services in Volatile Contexts Matthew Croxford, COO, MYELIN
15:40 - 15:45	What does electrification in hammering means in the long term? Antti Anttila, CEO, Lekatech Oy
15:45 - 15:50	Washing Solutions in the Mining Area Sami Uhlbäck, Area Manager, Finfinet Oy
15:50 - 16:00	Added value from concentrates with VTT's piloting infra Antti Porvali, Research team leader, Metals and materials recovery, VTT Technical Research Centre of Finland Ltd.
16:00 - 16:05	Swerock Services to Mining Industry, aggregates Mari Boren, Aggregates Manager, Swerock
16:05 - 16:15	Transforming World of Mining & Metals Pasi Karekivi, Business Development Director, Mining & Metals, Betolar Plc
16:15 - 16:20	Global Mining Chemical Supplier Janne Kankkunen, R&D Director , BioSO4 Oy
16:20 - 16:30	Mineral proessing services to global mining industry Jouko Nieminen, Director, GTK Mintec Development, Geological Survey of Finland (GTK)
16:30 - 16:35	Geological Analysis Services Hanna Junttila, Business Development Manager, Lumo Analytics
16:35 - 16:40	Cooperation possibilities in Poderosa mine TBC, Poderosa S.A., gold mine, Peru
16:40 - 16:50	From Mine to Metal: Leading the Future of Mining and Metal Technology Iina Vaajamo, Director, Sales and Services Minerals, Finland, Metso
16:50 - 17:00	Closing Words Hannele Vuorimies, VP in Global Solution Sales in Minerals, Metso
